HOW TO USE APCOA FLOW

1.

Download APCOA FLOW App

After successful download and registration simply order the free RFID chip via the app.

Attach APCOA FLOW chip

The APCOA FLOW chip will be sent by mail. We recommend attaching the chip to the top left of the windscreen alternatively it can be placed in the space provided on the enclosed carrier card.

2.

3.

Find parking garage

The APCOA FLOW App will find the nearest parking garage and guides you there comfortably. Already available in more than 200 parking garages in Germany.

Contactless and cashless parking

Via the attached RFID chip you can enter and exit the parking garage seamlessly. The parking fees will be debited from your deposited payment type automatically - at no additional cost.
